

NEPA Document Reference Library for Users

The NEPA Document Reference Library houses information on and completed NEPA Environmental Assessments (EA), Environmental Impact Statements (EIS), and other NEPA documentation for past Navy NEPA Projects.

Projects are organized in the following ways: alphabetically by name, group, geographical region, and level of NEPA analysis. To find the project you are looking for by name, use the left-hand navigation menu and select the button that corresponds with the first letter in the project's name.

Search by: Name, Group, Region, or Level

A list of projects within that alphabetical range will open. Find the project you are looking for and click on the project name.

Project Name	Project Status
Atlantic Fleet Training and Testing	Final
Atlantic Fleet Training and Testing EIS/OEIS (2016)	Final

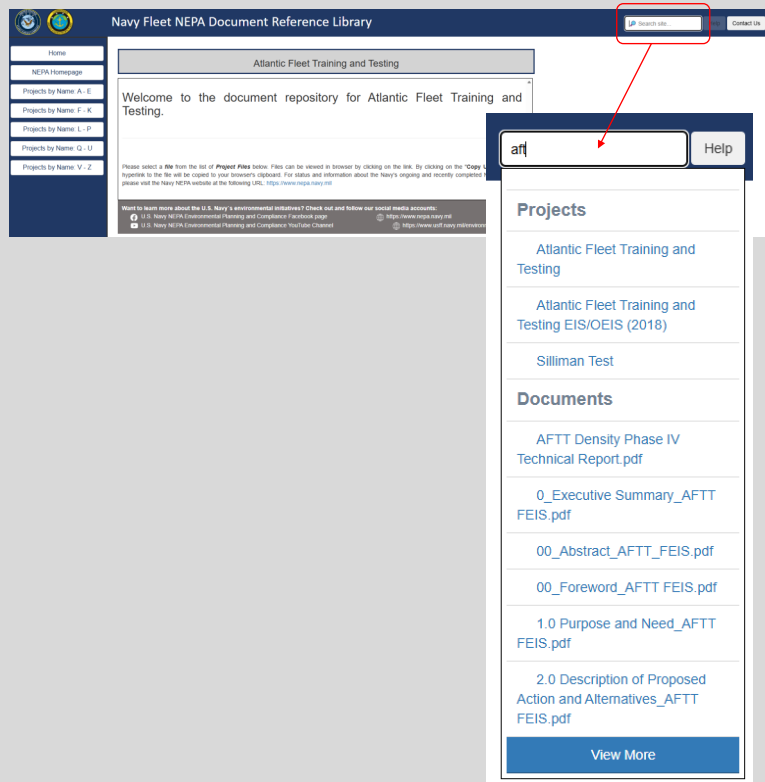

The project page will give you information about the project as well as any links to associated documents. The page instructions also include a link to the nepa.navy.mil website where you can find more information, including images, fact sheets, and/or videos about the projects.

File Name	Date Modified	Size	Version	Copy URL
Abstract_AFTT_FEIS.pdf	12-09-2025	202.45 KB	1	Copy URL

NEPA Document Reference Library for Users

The search feature in the upper right corner of the site can be used to locate any project or document. As you begin to type, a list of project names and documents will appear matching what you have entered. You can either select the project or document you are looking for once it appears or click the "View More" button to further filter results if needed.

The Contact Us button can be used if you have questions or need further assistance.

Enter Captcha Code

Captcha is case sensitive and will read spaces as a character. If you receive multiple errors, please ensure caps lock is off and there are no extra spaces before or after the character string.

On the Contact Us page, enter your first name, last name, email address, a subject line, and message. If you are referring to a specific project, there is an optional field where you can select a project. Enter the captcha code in the box and click the blue Submit button. You will receive a message thanking you for your feedback and stating that a manager will respond.

Thank You for your feedback!

We appreciate your feedback, and a manager of our team will respond as soon as possible.
